

The AAPA Leadership Fellows Program is excited to announce the

2014-2015 AAPA Leadership Fellows

Gagan “Mia” Khera, Ph.D. & Yuen Shan Christine Lee, Ph.D.

Dr. Khera is an Associate Professor (pre-tenure) at Rivier University in Nashua, New Hampshire in the Graduate Counseling and School Psychology Program. Dr. Khera is trained as a Community/Cultural Clinical Psychologist and focuses around applied and intervention-based work. She has also spent time with organizations such as Teach for America and Peace First.

Dr. Lee is a staff psychologist at the New York University Langone Medical Center in New York, New York. Dr. Lee's training is in Health Psychology and Neuropsychology. Dr. Lee's work focuses on the importance of rehabilitation psychology, especially culturally competent and sensitive psychological and cognitive rehabilitation interventions for Asian American populations following physical or neurological injuries.

Please join me in welcoming our newest AAPA Leadership Fellows!
